Declaration and Signatures

Applicant

I, _____, do hereby declare that the information contained in this application, the attached schedules and forms, the attached plans and specifications, and other attached documentation is true to the best of my knowledge. If the Applicant is a corporation or partnership, I have the authority to bind the corporation or partnership. By signing off, I understand that it constitutes a legal signature confirming that I acknowledge and agree to the above declaration.

Notice with respect to collection of personal information

I/We also acknowledge that the information requested on this application is collected under the authority of The Planning Act, R.S.O. 1990, Chapter P13, as amended. The information is required in order to process the application to the Committee of Adjustment. The name and business address of the Applicant and/or authorized Agent is public information. The address of the property, which is the subject of the application, is also public information. Please be advised that any personal information i.e. name and address may become part of a public record in an electronic form, i.e. web site and/or paper format, i.e. agenda or minutes.

Species at risk acknowledgement

Ontario's Endangered Species Act protects endangered and threatened species — animals and plants in decline and at risk of disappearing from the province by restricting activities that may affect these plants, animals or their habitats.

I acknowledged that it is my sole responsibility as the Applicant to comply with the provisions of the Endangered Species Act, 2007, S. O. c.6. This could require me to register an activity, get a permit or other authorization from the Ministry of Natural Resources and Forestry (MNRF) prior to conducting an activity that could impact an endangered or threatened plant or animal or its habitat. I further acknowledge that any Planning Act, R.S.O. 1990, c.P.13 approval given by the City does not constitute an approval under the Endangered Species Act, nor does it absolve me from seeking the necessary authorization, approvals or permits from the MNRF prior to conducting any activity that may affect an endangered or threatened plant or animal or its habitat.
